## MASSERIA TORRE MAIZZA

Masseria Torre Maizza is located in the most glamorous destination on the Italian Adriatic coast. Inspired by the sensational landscapes of Puglia and the ethos of Rocco Forte Hotels, it exquisitely blends local heritage with contemporary luxury and unparalleled service.

Surrounded by ancient olive groves, the renovated 16th century masseria is filled with thoughtful design accents and details to create a unique sense of place, from the stunning Olga Polizzi-designed rooms and suites to the romantic sunset rooftop terrace and elegant restaurant overlooking the swimming pool. The resort also features a 9-hole executive golf course, a partner beach club and the Irene Forte Spa.

## BARS & RESTAURANTS

Named after a vegetable native to Puglia, Carosello offers traditional dishes that create new emotions, making use of the finest local produce. Interpreted with ancient techniques and savoir-faire, the menu is crafted by Creative Director of Food Fulvio Pierangelini. It includes handmade pastas, wild herbs and vegetables, beautiful fresh fish and local cheeses and meat.

From strong Italian coffee and the newspapers in the afternoon through to aperitivo before dinner or a digestivo before bed, Bougainvillea Bar is the perfect place to simply relax in the stylish armchairs and watch the world go by. For the peckish a menu of light meals and bar snacks, with a strong Puglian influence, is available.

Framed by foliage and reflecting in the glistening cerulean waters, the Pool Bar's refreshing drinks and snacks are served in a relaxed, laid-back atmosphere. An oasis of shade in the midday sun, the bar's cool cocktails, crisp local wines and fruity smoothies perfectly accompany a light lunch and pizza menu.

## IRENE FORTE SPA

Step inside the Irene Forte Spa and let the scent of the sea give way to the aroma of orange blossom, the gleam of Italian handmade bells and the rich radiance of Puglian ceramics creating an inviting, authentic setting for spiritual, physical and emotional wellness.
