SICILY

A ROCCO FORTE HOTEL

GOLF AT VERDURA

Verdura Resort presents a golf experience unlike any other. Our links style courses, designed by Kyle Phillips, use the natural green contours of the landscape and are lined with orange and olive groves. Warmed by the Mediterranean sun and refreshed by the sea breeze, the courses are free from any buildings, offering uninterrupted views of the azure waters from the undulating greens.

Guests will experience five-star luxury across every aspect of Verdura, from stylish accommodation to world-class spa facilities and elegant restaurants and bars. Other attractions include tennis courts and water sports, dedicated kid and teen clubs and guaranteed outstanding service.

The Philosophy

Golf-course designer Kyle Phillips is renowned for preserving and accentuating the essential character of a site, through his creative use of both natural and man-made landforms. Kyle is famous for his design of Kingsbarns Links near St Andrews in Scotland, the immaculate parkland courses at The Grove in Hertfordshire, England and numerous projects in America. At Verdura, Kyle has created the world class Verdura championship course which reflects the rich traditions of the game.

The championship course is 6,547 meters off the black tees and the 9-hole par 3 course measures 913 meters. Each hole on the championship course has five tee positions.

Home of the European Tour's Rocco Forte Sicilian Open, Verdura provides golf on a grand scale, with the personal service and attention to detail more usually associated with a private club. Designed to challenge golfers of all levels, the courses are built on spectacular playing surfaces to provide golfing conditions of the highest level.

“Kyle Phillips designs courses to suit the environment they find themselves in. His approach to golf courses is similar to our approach to hotels.”

We'll provide the perfect introduction and foundations for those that want to start playing golf to develop their skills. For our younger guests who are already budding golfers, we'll help them improve their game. Our courses cover every aspect of golf, from practical skills such as hitting the ball, chipping, putting, bunker shots, playing on the par-3 course, to the etiquette and rules of golf.

“I love this place. The golf course is awesome and you get a view over the Mediterranean on nearly every hole. The greens are really good and these are probably the best fairways that we have played all year.”
